The Lucky Curve

Belongs exclusively to the celebrated
Parker Fountain Pen

The "lucky curve" not only feeds the ink perfectly to the point of the pen, and in the exact quantity required, but it drains the ink from the feed chamber back into the reservoir when the pen is carried in the pocket, so that the owner will not be annoyed by wiping off the ink when he next uses the pen, or failing to do so, have inky fingers. We guarantee every pen to give satisfaction and have a great variety in stock at prices from \$1.00 upward.

**GRAND JURY
MUST WORK**

The Federal Court Will
Have a Busy
Term.

The October term of federal court opens this morning at 10 o'clock. At that time a grand jury will be called, and if the required number is obtained for service Judge Estee will read his charge.

The jury called for today is composed as follows: N. E. Gedge, Charles R. Frazier, Harry W. Foster, C. M. Cooke, J. E. Fullerton, Antonio Fernandez, Charles J. Ludwigsen, Robert W. Atkinson, Gus. Froboese, J. A. Low, Wm. J. England, Bruce Cartwright, Jno. S. Ellis, Frank da Camara, Wm. R. Aylett, E. I. Spalding, Willow Baldwin, Fred. Ganzel, A. J. McKenzie, A. K. Eldredge, and C. Bolte.

James Anderson and G. E. A. Thrum are dead and it is quite likely that talesmen will have to be called to fill out the venire.

This grand jury will have the most important business of any since the United States court was organized in the Territory. Besides the Jacobsen murder case, there will be the post-office charge against Jean Sabate, the counterfeiting case, and a number of liquor cases.

SUPREME COURT.

The Supreme Court concluded the hearing of argument in the case of H. Hackfeld & Co. vs. Hilo Railway Co. Saturday at noon.

ADMITTED TO BAIL.

Judge De Bolt on Saturday heard the application for bail of Ah Akoni, the Chinese charged with arson. It was finally ordered that bail be allowed and the bond was fixed at \$5,000.

COURT TERM CLOSES.

The special September term of court will end tomorrow unless it is extended. Judge Robinson, who presided, has succeeded pretty well in clearing up the calendar of jury-waived cases, having disposed of from twenty-five to thirty. The jury-waived calendar is in good shape as a result, all cases having been heard in which the attorneys were ready. Judge De Bolt will preside at the November term.

THE SUMNER CASE.

The Sumner case is scheduled to come up this morning before Judge De Bolt, but it is hardly probable that the hearing will be resumed. The negotiations for a compromise have been practically completed and the suit will be dismissed unless something unforeseen happens. Sumner will leave for Tahiti as soon as the conditions of his sister's health permits.

THE KOHALA RAILROAD.

(Continued from Page 11.)

Springer returned by the Claudine from a trip to Kohala where they attended the tax appeal court, adjusting some fifteen cases. The court was made up of Messrs. Tullock, August and Adkins. Mr. Ridgway went as counsel for the assessor, Mr. Ross represented the Waiohine Agriculture and Grazing Company, appellants, and Mr. Springer served as stenographer for the court.

The only case tried was the one above mentioned, the others being compromised on the basis of the verdict in the one case. All the appeals were from assessments made on herd cattle which, upon instructions from Honolulu, were arbitrarily fixed at \$15 per head. The verdict of the court was a reduction from this flat rate to \$12.00 and \$10.50 per head. The various other appellants were settled with upon the same basis.

NO MONEY FOR COURT WORK.
Sheriff Andrews returned Wednesday from Kohala where he attended the October term of the third circuit court. Judge Edings presided. Owing to the fact that no funds are on hand to pay jurors, both the grand and trial jurors were excused from attendance. Nearly all of the civil cases were con-

tinued. There were eight criminal cases on the docket. Of these, three were continued. One defendant plead guilty, one withdrew appeal and the other cases were stricken from the docket.—Herald.

CITIZENS PAY FOR STREET WORK.

Mr. Wright, of the Volcano Stables, has received an order from a committee of citizens to put teams to work hauling gravel to repair the chuckholes on Front Street. One team began hauling yesterday and today three or four more will be added. Work was commenced near the junction of Poonahawai where the street is in an abominable condition. The street throughout its whole length has been in need of attention for several months. Now it is next to impossible to drive a light rig in a fast trot and remain in the buggy. The numerous holes make heavy draying a very troublesome business, and the patience of the public has reached the breaking point. When Front street has been repaired at private expense, it is the intention of the Citizens' Improvement League to continue the good work in Puueo. The fact that this necessary work must be done by private subscription is sufficient commentary on the energy and wisdom of the Hilo road board.—Tribune.

NEWS NOTES.

A Japanese, despondent over financial affairs, committed suicide at nine miles last Wednesday, by hanging himself to a flume.

The remnants of the fund for the entertainment of the senatorial party has been turned over to the Fourth of July committee to liquidate unpaid bills. The majority of the subscribers agreed to this transfer.

An unknown Japanese was found dead yesterday morning hanging from the Olua Sugar Company's flume where it crosses the government road near Keauu. He had been dead only a short time when found.

The idea of a private day school at Puueo has been abandoned for the present, owing to a delay in the arrival of a teacher from Honolulu.

Sixty-one persons took out their American citizenship papers in the circuit court on Friday and Saturday.

Robert Wilcox is touring this island, having arrived in Kawaihae by the Claudine yesterday.

**To Let
OR
Lease**

The following desirable properties upon moderate terms:

- 1—3 brand new and modern cottages on Beretania street west of Pili street.

**A Few
Cold
Facts**

The superiority of the Gurney Refrigerator is accounted for by the following:

- 1.—Cleanliness
- 2.—Free Circulation
- 3.—Economy in the use of ice
- 4.—Condensation and dry air
- 5.—Low average temperature
- 6.—Freedom from condensation on inner walls
- 7.—Freedom from damage by the use of ice picks
- 8.—Proper location of drip pan
- 9.—Long life

It is the only refrigerator that can be kept absolutely pure and clean for all time.

We have over thirty different styles and sizes, and are selling them on very easy terms.

You will find the samples displayed on our second floor.
